

RM Easimaths

Your child has been issued with a login for Easimaths.

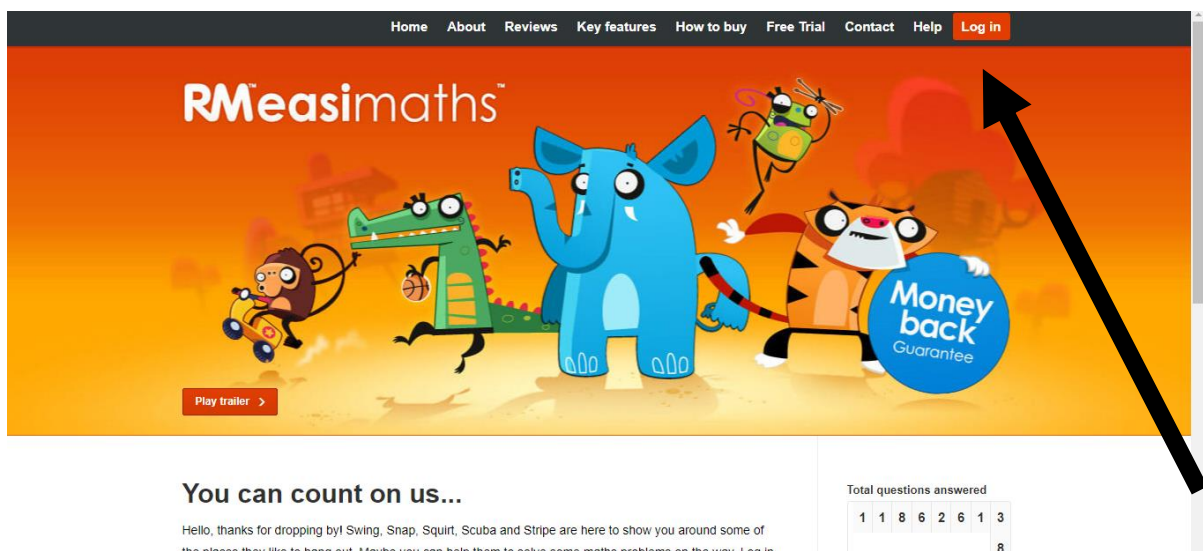

We recommend that your child logs on 3 times a week.

The login form for RM Easimaths features the brand name at the top left. Below it are four labels: 'Name:', 'Username:', 'Password:', and 'Site Id:'. To the right of these labels is a large, empty rectangular box for input. Further to the right is a cartoon character with a brown body, orange face, and large eyes, waving its right hand.

If you have any problems please contact school.

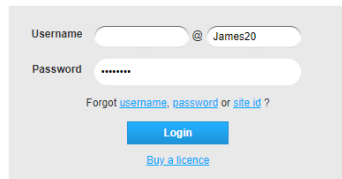

When you locate the website the initial page will look like this.

The homepage of RM Easimaths has a dark grey navigation bar at the top with links: Home, About, Reviews, Key features, How to buy, Free Trial, Contact, Help, and a red 'Log in' button. The main banner is orange and yellow, featuring the RM Easimaths logo, a 'Play trailer >' button, and several cartoon characters: a monkey on a skateboard, a green crocodile, a blue elephant, a green robot, and a tiger holding a blue 'Money back Guarantee' sign. A large black arrow points from the bottom right towards the 'Log in' button. Below the banner, the text 'You can count on us...' is followed by a paragraph: 'Hello, thanks for dropping by! Swing, Snap, Squirt, Scuba and Stripe are here to show you around some of the places they like to hang out. Maybe you can help them to solve some maths problems on the way. Log in'. To the right, a 'Total questions answered' section shows a grid of numbers: 1, 1, 8, 6, 2, 6, 1, 3, with a total of 8 below it.

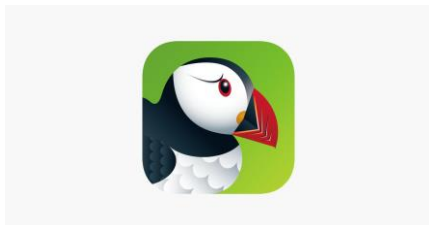

1	1	8	6	2	6	1	3
8							

Click on the login button and you will see this screen.

A login form with a light grey background. It features a 'Username' label followed by a text input field containing '@ James20'. Below this is a 'Password' label followed by a text input field with masked characters. Under the password field is a link: 'Forgot [username, password](#) or [site id](#) ?'. At the bottom is a blue 'Login' button and a link: '[Buy a licence](#)'.

Type in your child's details here and then login.

If you are using an I pad you will need to download puffin browser to open this program as the I pad does not support Flash player. This is free.

Once you open puffin browser follow the instructions above and it should login.
