

Part of our reading practise in reception class involves working on books and games online to enhance the work done in class.

Your child has been sent home with an active learn login and password to enable them to use this resource at home. The website login page looks like the picture above. The web address is <https://www.activelearnprimary.co.uk>

The activities will be set as and when they link into the class work mostly, but a book will be added at least once a week and games will be on there to re visit. Please ensure you login in weekly to check for books and online games. The online phonic games are linked to the sounds they are learning in school. They can do these games as many times as they like as this will strengthen their phonics.

Any problems please do not hesitate to ask.

Mrs Footman (Class teacher)
